## Grade Engines

### Zonsen XP1000 V-Twin

Displacement	Throttle	workable hours
1000CC	35HP	8h-10h

**Ergonomic controls**  
Comfortable, user-focused controls put everything needed to operate the mower within easy reach.

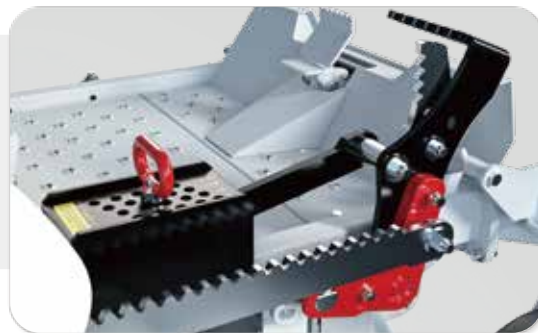

**Rugged Frame**  
Stylish and strong engine protection comes standard.

# CUTTING HEIGHT

## Easily Adjustable

The deck lift system is spring assisted and allows convenient hand free operation. A simple locking pin adjusts cut height.

1-5inch

## High-Back seat

Deep cushions and generous bolsters offer superior comfort and reduced vibrations

# ROPS

ROPS bars help protect you in the event of a roll over and can be folded for low-hanging branches

## Rear Hitch Kit

Rear hitch kit available for multiple user applications.

## Fuel Your Domination.

With a 15.8-gallon fuel capacity, you own the job. No refills, just relentless power.

# HEAVY DUTY FABRICATED CUTTING DECK

High-capacity mower decks provide superior mowing quality and versatility  
Durable deck straps feature large idler pulley design to minimize wear and tear  
Heavy-duty steel construction, full floating decks

## Number of blades

Three pieces

## Cutting width

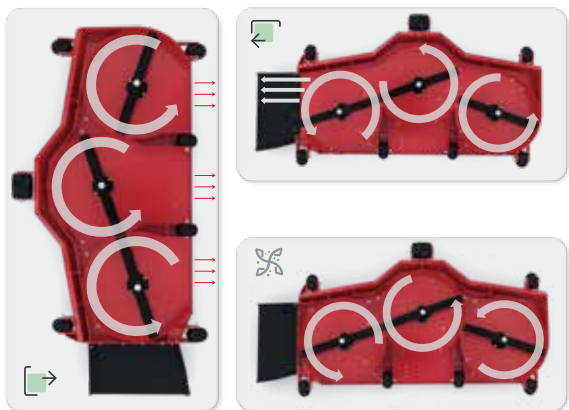

72inch/1828mm

## Cutting height rang

1.0-5.0 inch/25.4-127mm

## TRANSMISSION

## BLADE PATTERN

Depending on your lawn environment, you can choose the type of blade you need.

## ADVANCED INTEGRATED TRANSMISSION

No matter the challenge, the upgraded transmission drives your forward with maximum force.

### SPEED

up to 18 mph, [up to 29 kph]

### OUTPUT TORQUE

up to 700 lb-ft, [up to 949 Nm]

**Hydro Gear ZT-5400**

## MOWING TO A FASTER FINISH

Designed to withstand tough working conditions, it is equipped with top-of-the-line ergonomic features and comfortable operator functions so you can fully focus on meticulous cutting results.

## REMOVABLE FOOT PLATE

Quick access to cutting deck for easy maintenance and clean-up

## ADJUSTABLE STEERING LEVERS

Motion control levers are shaped and positioned with operator comfort and ease of control in mind.

RUGGED FRAME

### Oversized, Durable Body

Combined with large tires to deliver superior strength, longer lifetime and a smoother ride.

**Robot Welding (tolerance  $\leq 0.5\text{mm}$ , 100% consistency);  
Electrophoretic Coating + Powder Spraying.**

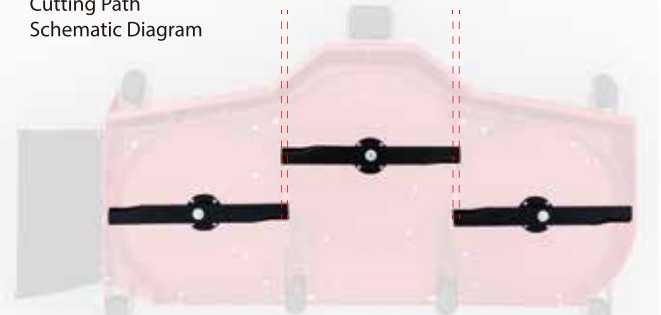

#### Salt Spray Test:

1,500 hours without rust spots (vs. GB standard 800 hours)

#### Weatherability:

QUV accelerated aging for 3,000 hours, color difference  $\Delta E < 1.5$

### Cutting Path Schematic Diagram

We adhere to a high-efficiency design philosophy, incorporating overlapping cutting zones between our mower blades. The overlap ratio may vary depending on the specific mower model and blade dimensions, ensuring optimal cutting performance across different operational requirements.

### GRASS-FRIENDLY TIRES

Designed for a long lifespan while staying gentle on your grass

### STRONG, ADJUSTABLE CLUTCH FOR LONG LIFE

The Oigura Electromagnetic Clutch Brake provides excellent starting and stopping power for the cutter deck to its maintain strength for longer life.

### Carlisle V-Belt

### Carlisle V-Belt

The wedge-shaped cross-section of the V-Belt increases the contact area with the pulley, resulting in higher friction.

### Heavy duty rubber discharge chute

The discharge chute is built of heavy-duty rubber to withstand wear and tear while protecting nearby property.

Actual product may differ from photos.
